

# Presslok™ Splice Connectors UP2, Cartridge

**Part Number:**  
**UP2-CART**

With the Presslok™ series of tools and connectors, service providers can meet the demand for enhanced customer services such as high-speed internet, video-on-demand, and video conferencing. Presslok connectors also offer full wire-range capability, increased port size to accommodate up to 2.08 mm (0.082 in) insulation sizes, and solvent resistant plastic construction. As new technologies migrate into the local loop, the importance of reliable connections in the embedded plant has increased exponentially. Each connection is a potential point of failure in high-bandwidth applications, which could require additional time and expense for a technician to repair. That is where the full line of Presslok connectors can really make a difference.

## Features and Benefits

- Fast installation
- Ease of Use
- Wide Range of Common Wire Gauges
- Factory-installed sealant
- Dry versions available for Central Offices and Vaults

# Presslok™ Splice Connectors UP2, Cartridge

CORNING

## Specifications

### General Specifications

|              |                         |
|--------------|-------------------------|
| Product Type | Copper Splice Connector |
|--------------|-------------------------|

### Standards

|      |                                                           |
|------|-----------------------------------------------------------|
| RoHS | Free of hazardous substances according to RoHS 2011/65/EU |
|------|-----------------------------------------------------------|

### Design

|                    |             |
|--------------------|-------------|
| Composition        | Dry         |
| No. of connections | Two (2)     |
| Connector Type     | Butt        |
| Conductor          | 26 - 22 AWG |

### Ordering Information

|                    |           |
|--------------------|-----------|
| Product Number     | UP2-CART  |
| Packaging Method   | Cartridge |
| Units per Delivery | 1600/1    |
